

Membership - Manitoba Institute for Patient Safety

The Manitoba Institute for Patient Safety is a dynamic forum for promoting excellence in the area of patient safety. At the heart of health care is the patient, who has the right to safe, quality care. The goal of the Manitoba Institute for Patient Safety is to be a leader in the area of patient safety by working with health care providers, health care organizations and the community, to raise awareness of patient safety issues and respond to those issues by encouraging research, collaboration, innovation and promoting best practices.

Benefits of Membership

Members of the Manitoba Institute for Patient Safety:

- join a network of leaders in the field committed to advancing patient safety and working to achieve excellence in this critical area of health care.
- have access to a forum for discussing issues, sharing best practices and working to improve patient safety throughout Manitoba and to advance this issue nationally.
- influence and contribute to the future strategic direction and work of the organization.
- are entitled to send a representative with voting privileges to the Annual General Meetings and to nominate a candidate for the board of directors.
- receive priority access to the latest developments in patient safety.
- have the opportunity to participate in committee work that will support cutting edge work in the field and public education.

Eligibility

Membership is open to not-for-profit organizations with an interest in patient safety. Members will represent the diversity within the health care system, be provincial in influence and have a demonstrated interest in advancing patient safety issues. Membership must be approved by the Board of Directors of the Manitoba Institute for Patient Safety.

Membership Type Options

MIPS' Partner - base fee **\$1500.00** (no tax receipt)

Helps MIPS extend our reach and achieve our goals by undertaking patient safety activities. MIPS' Partner members can off-set their membership fees by undertaking activities each year. Each activity reduces the membership fee by \$500, up to a maximum of a \$1000 fee reduction.

MIPS' Supporter **\$1500.00** (no tax receipt)

Helps MIPS extend our reach and achieve our goals through financial contribution.

Application Form

An application form begins on page 2 of this document.
