

2019 Partnering Members Activities

Each year our partnering Members undertake patient safety activities, which help extend our reach and achieve our goals. Here are the top 5 activities pledged for 2019:

Top 5 2019 Member Activities

- 1.** Promote a MIPS resource to employees/members.
- 2.** Undertake activities to educate providers on how to increase client/patient engagement in care.
- 3.** Educate stakeholders about a patient safety issue in an organizational newsletter.
- 4.** Host an education event for the public/employees/members on a patient safety issue.
- 5.** Implement a learning program that highlights patient safety for members/employees.
